Step 5

Fill your details, like account type, credit card details, tax information, etc.

If you have old Gmail account and all the information is already there it would take it and you might not have to fill all the details.

Step 3 of 3 Payment information verification

Your payment information helps us to reduce fraud and abuse. You won't be charged unless you turn on automatic billing.

Account type

Individual

Only Business accounts can have multiple users. You cannot change the account type after signing up. In some countries, this selection affects your tax options. [Learn more](#)

Payment method

Card number

#

Card number is required

When billing starts, you'll be charged automatically each month.

Tax information

Tax status

The personal information that you provide here will be added to your payments profile. It will be stored securely and treated in accordance with the [Google Privacy Policy](#).
